"THIS ISN'T A 1960S TIME CAPSULE. EACH PIECE IS A DESIGN CLASSIC THAT WOULD FIT PERFECTLY IN A MODERN HOME OFFICE"

STEPHANIE SAUNDERS STYLIST

SMART SET

These design icons are slick and sculptural. Sophisticated style statements, the sofa and table look as modern now as they did in the '60s, while the contemporary lamp resembles the Flos Arco - a *Mad Men* fave - but costs a fraction of the original!

SOFA Comes polished cast aluminum, solid walnut and leather three-piece from \$8,990. henningson.com

FLOOR LAMP Cast 51" x 19" x 23" metal with marble base \$200. eol.com

COFFEE TABLE Warren Platner (steel wire and tinted glass) from \$1,326. knok.com

flight pattern

REC-STYLE AIRPLANES ARE TAKING FLIGHT IN 2011. "OURS ARE AN HOMAGE TO THE AIRLINE THEME THAT RUNS THROUGHOUT *MAD MEN*," SAYS STYLIST STEPHANIE SAUNDERS. THE SLEEK SILVER PLANES ARE MINIMAL AND MASCULINE, A PLEASING COMPLEMENT TO THE CLEAN LINES AND WHITE SCHEMES OF MODERN INTERIORS.

CLOCKWISE FROM TOP \$17. homeisnot.com; washed cast aluminum \$10 (16"), \$20 (26"). alexanderinteriorsanddesign.com; mounted on wheels \$15. homeisnot.com; Aluminum Jet Plane \$156. urbanbarn.com

HIGH-LOW METER

Elegant and ergonomic, the streamlined high-back leather office chair suits both classic and contemporary spaces.

HIGHER
\$2,102

Chenais and Roy Eames originally created this chair for a home. Designed by Carl Saarinen and Alexander Girard. Herman Miller Eames Aluminum Lounge, design.com

HIGH
\$1,445

Another drool-worthy Eames design for Herman Miller, this refined classic is 90% recyclable. Alexander Executive, eh.com

LOW
\$310

This beauty offers comfort and style at an affordable price point. In sexy faux leather and cast aluminum. Vesper in Neuphyside, yettipark.com
