There may be times, such as when you subscribe to our email newsletter, whether online or in person, at which we ask you to provide certain information about yourself, such as your name, telephone number, email address, gender, occupation, personal interests, etc. Whether or not to provide such information is completely your own choice.

We may track the Internet domain address from which people visit our web site, and analyze this data for trends and statistics, but individual users will remain anonymous.

We use personal information, such as a purchaser's name, email address, postal address, telephone number and credit card information, to fulfill merchandise orders. We may also use order information to contact a purchaser when necessary, such as when a delivery may be delayed or when an ordered product is out of stock.

We use the personally identifiable information you provide for internal purposes, such as confirming and tracking your order, subscription or registration, analyzing trends and statistics, informing you of our new products, services and offers, and providing you with information from Urban Barn.

We will only disclose your personally identifiable information when we believe the law requires it.
