INSTRUCTIONS FOR ADJUSTING LEVELERS
INSTRUCTIONS POUR AJUSTER LES NIVELEURS:

Position the bed in your room.

Locate levelers under each leg support.

Turn counter-clockwise to extend, clockwise to contract.

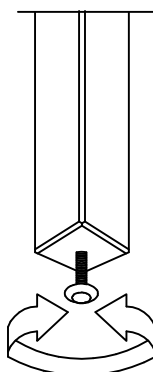

Adjust levelers until each leg support is applying equal upward pressure on the bed slat.

Placez le lit à l'endroit désiré.

Localisez le levier ajustable sous chacune des pattes.

Tournez le levier dans le sens contraire des aiguilles d'une montre pour allonger la patte et dans le sens des aiguilles d'une montre pour raccourcir la patte.

Ajustez les leviers sous chaque patte jusqu'à ce qu'elles reposent toutes sur le sol afin de diminuer la pression sur les lattes

MAINTENANCE INSTRUCTION
INSTRUCTIONS D'ENTRETIEN:

- Remove box spring and mattress before moving your bed
- Lift your bed when moving it. Dragging can damage leg support.
- Readjust levelers after moving your bed.

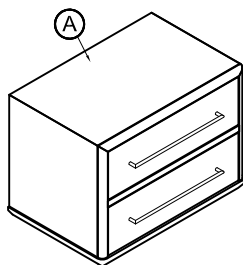

- Retirez le matelas et le sommier avant de déplacer le lit
- Soulevez votre lit lorsque vous le déplacez, car le traîner peut endommager les pattes
- Réajustez les pattes après avoir déplacé votre lit
